

Proposal for "Kaun Banega Knowledgepati" Competition

Competitions play a vital role in motivating students to perform and excel and offer a lot more reward than just the winning prize. Competitions offer a chance for participants to gain extensive experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. Competitions also encourage students to adopt innovative techniques and develop their ideas and skills.

TTHF realized while surveying the schools at pan India level that societies play a major role to shape up the future of students, hence taking an initiative to organize "**Kaun Banega Knowledgepati**" competition. In future we are coming with multiple competitions both academic and non academic.
